### PROFILE SUMMARY

I am Results-oriented and creative Computer Science student with hands-on experience in ICT training and support. I Successfully completed a 6-month internship at CAP Youth Empowerment Institute, supporting, and maintaining lab systems. Skilled in web development, database management, Microsoft Office, and graphic design, with a strong passion for empowering students through digital skills. Seeking to contribute as an ICT Instructor by combining technical expertise with teaching ability.

### EXPERIENCE

ICT Intern (6 Months) | CAP Youth Empowerment Institute | 2024

- Assisted trainers in delivering lessons on Microsoft Office, internet usage, and digital skills.
- Provided individual support to students struggling with ICT concepts.
- Supported troubleshooting of lab equipment and maintaining computer systems.
- Gained direct experience in a teaching and learning environment.

Peer Training & Academic Projects | Co-operative University of Kenya

- Organized peer-to-peer ICT training sessions on web development and database concepts..
- Simplified difficult ICT concepts into easy-to-understand tutorials.

### ACADEMIC PROJECTS

- E-commerce Website:** Developed a responsive website for selling electronics using HTML, CSS, and JavaScript.
- Personal Portfolio:** Designed a portfolio website showcasing web and graphic design projects.
- Spam Detection Model:** Built a Python-based email spam classifier using the Spambase dataset.
